

How To

Come Together

Promote the Common Good

Choose Information Sources Carefully

Find Common Ground. Negotiate

Respect Political Diversity

The IDEALS

Liberals

AFFECT CHANGE

The fast pace of change in Americans' attitudes toward personal liberties, government responsibility, and social justice sets up the liberal party for growth.

The PLAYERS

The Candidates

The candidates should follow the ideals stated above to promote the common good

The News

Fake news needs to stop and the people should hear factual news with less bias.

Political Parties

Political parties need to think for themselves and their constituents not just side with others who have a D or R next to their title.

You

The movement starts with you following these tenants and getting out there, informing yourself and voting.
